

Washington Water Jets are hosting a Splash For Cash fundraiser!

This is your opportunity to sponsor a swimmer for as many laps as he/she can challenge himself/herself to complete. Your swimmer is being asked to set a goal of laps to complete during practice on Friday July 3rd. Family and friends may sponsor the swimmer per lap. All swimmers should set a goal, even without sponsors because this event is more about letting the swimmers prove they can do what they set their minds to rather than about the money being brought in.

To arrange the swimming order, please turn this form into the Board folder in the mailboxes or to Liz Ward by Wednesday July 1st.
