This year, Bruer Photography is offering a second date to come back to the pool for individual pictures. As this is a summer team, some swimmers may be unavailable for their pictures. Bruer Photography will come back on **Wednesday July 1st at 8am** for individual/sibling pictures. This is during practice so once the pictures are completed, your swimmer should be prepared to swim. These are NOT retakes and swimmers photographed on **July 1st** will not be in the team picture.
